

How Soon Is Now?

(Morrissey/Marr)

Comments:

An all-time classic but 2 minutes to long in my opinion. The lyrics are fantastic. And the famous flanger/reverbed guitar effect is pure brilliance, of course.

I spend months to get this tablature right, but I still think it's rather crap. The bass seems to go everywhere and is almost not hearable in the mix. There are also slight variations that I did not wrote down. Good luck...
